

ONLINE PERFORMANCE REVIEWS

Streamline your performance management process with our fully integrated online platform. Engage employees with the ability to provide the direction, feedback and tools needed to optimise and achieve their business goals.

WHY YOU NEED IT.

OPTIMISE YOUR WORKFORCE

Quick and easy access to the employee performance data to assist with strategic decisions and opportunities for staff development. Track key development objectives with convenient reporting including employee ratings, averages and trends.

SAVE TIME AND PAPERWORK

Dramatically reduce the time and paperwork typically associated with the performance review process, by enhancing rapid deployment of performance appraisals, ensuring employee participation and improving the quality of feedback.

24/7 ACCESS ON ANY DEVICE

Powered by the eSS platform, our Online Performance Review module is mobile friendly with a simple, elegant interface. Performance reviews can be completed by employees and managers easily, effortlessly and on time.

WHAT'S INCLUDED?

SIMPLIFY REVIEWS

Our Online Performance Review module is easy to configure, manage and report, which will enable greater engagement and adoption.

BEST PRACTICE FRAMEWORK

A pre-populated directory of 31 capabilities, together with descriptive evidence and example rating scales enables you to build a capability directory that works for you.

GOAL SETTING

Improve employee engagement with our flexible goal and objective settings. Balance personal, strategic and operational goals, then track, measure and report without hassle.
